Your policy also extends to protect extra equipment attached to your boat such as anchors, oars, canopies, life preservers, and fuel tanks. Coverage for fishing equipment and personal property is also available.

In addition, Liability Boat Insurance can help pay for medical expenses or legal costs if you are at fault in a boating accident. Coverage options include:

- Bodily Injury payments
- Damage to another's property
- Medical Payments
- Guest Passenger Liability

Additional Coverage Options

At eSummers Insurance Agency, we make insuring your boat or personal watercraft easy and affordable by offering extended policy benefits like On-Water Towing and Roadside Assistance when traveling with your boat. You may also be eligible for money-saving discounts when you insure multiple watercrafts or combine your Boat and Auto policies.
